Why do all these men try to run a big legged woman
down

Why do all these men try to run a big legged woman
down

Must be the same thing that makes the bulldog run
around

What makes a man go crazy when a woman wear her
dress so tight

What makes a man go crazy when a woman wear her
dress so tight

Must be the same thing that makes the tomcat fight all
night

It's that same thing

It's that same thing

Tell me who's to blame

The whole worlds fighting about that same thing

What makes a man so happy when his woman wear her
evening gown

What makes a man so happy when his woman wear her
evening gown

Must be the same thing that makes the preacher lay his
bible down

It's that same thing

It's that same thing

Tell me who's to blame

The whole worlds fighting about that same thing
