When these things have all been broken
You can wait for me
Everything youve ever spoken
Complimentary
Continue with deceptive lies
And wrapped around your thin disguise
Ways to let you know
Ways to let you know
Everything weve ever started
You can come and go
Laying loveless disregarded
I don't wanna know
Complaining that you'll loose your mind
And break me when you find the time
Ways to let you know
Ways to let you know
Time
What you always said before was mine
Tell me more about the days in rhyme
When these things have all been broken
You can wait for me
Everything youve ever spoken
Complementary
Continue with decptive lies
And wrapped around your thin disguise
Ways to let you know
Ways to let you know
Time
What you always said before was mine
Tell me more about the days in rhyme
