Say what you mean
Please just say anything
Cause darling
Am on your side I
And you're on mine
Most of the time
But need to know
What's on your mind
Your mind

So say you want me
And nothing else
Then for us to be
Cause darling
I know you love me
And we'd be happy
If I didn't leave you
You

But I'll come back for
I'll come back for you
I'll come back for
I'll come back for you
You

If it's out of sight
Then it's out of mind
But I won't forget
No I won't ever forget you
Having you out of sight
You'll be out of my mind
And I couldn't forget you
No I won't ever forget you

I'll come back for
I'll come back for you
I'll come back
I'll come back for you

Because that's what my heart
Tells me to do

Yeah that's what my heart
Tells me to do
