All I wanted was to be happy  
Yeah, it's the new improved latest version of me  
I got new jeans, got new self-esteem, yeah  
I hope you're not as sad as me, yeah  
All I wanted was to be happy, all I wanted was to be  
happy

Didn't think the winter could get much colder  
I was wrong (yeah, I was wrong)  
So go ahead and keep the Christmas gifts  
The snow will melt before too long  
So I'll make the most of my New Year's Toast, whoa  
(I'll just have to make the most of it)

It's the new improved latest version of me  
I got new jeans, got new self-esteem, yeah  
I hope you're not as sad as me, yeah  
All I wanted was to be happy, all I wanted was to be  
happy (alright)

Didn't wanna sound like the same old sad-sack  
shattered heart,  
The one who's always saying sorry for all his flaws and  
faults  
Something's always wrong  
So I'll make the most of being alone, whoa  
(Nothing to prove, nowhere to go)

The new improved latest version of me  
I got new jeans, got new self-esteem, yeah  
I hope you're not as sad as me, yeah  
All I wanted was to be happy, all I wanted was to be  
happy  
(All I wanted was to be happy, all I wanted was to be  
happy,  
All I wanted was to be happy, all I wanted was to be  
happy)

You were all I wanted in the best and worst ways  
I'm sure you remember the song  
Dearly departed, if I were smarter  
Then moving on wouldn't be so hard.

Yeah it's the new improved latest version of me  
I got new jeans, got new self-esteem, yeah  
I hope you're not as sad as me, yeah  
All I wanted was to be happy (come on!)

Yeah it's the new improved latest version of me  
I got bad dreams, got no self-esteem, yeah  
I hope you're just as sad as me, yeah  
All I wanted was to be happy, all I wanted was to be  
happy  
(All I wanted was to be happy, all I wanted was to be  
happy  
All I wanted was to be happy)  
All I wanted was to be happy.
