standing by my window
list'ning for your call
seems i really miss you after all
time won't let me keep these sad thoughts to myself
i just like to let you know
i wish i never let you go...

*and i'll always love you
deep inside this heart of mine, i do love you
and i'll always need you
and if you ever change your mind
i'll still, i will Love you

wish you'd never left me
but love's a mystery
you can break a heart so easily
the days and nights reveal
how much i feel for you
time has come for me to see
how much your love has meant to me...

*and i'll always love you
and if you ever change your mind
i'll still, i will Love you

Time like a river keeps on rollin' right on by
Nothing left for me to do
so i watch the river rise

*and i'll always love you
deep inside this heart of mine, i do love you
and i'll always need you
and if you ever change your mind
i'll still, i will
i'll still, i will love you...
