[Gabriel]

Lord above - why don't you tell me  
Why I'm here in agony?  
I've been serving, I've been praying  
Now I'm caught in misery.

I've been praised by friar Jakob,  
I misused his confidence.  
Cheated by this work of evil -  
Feigning Anna's innocence.

Oh what have I done?  
So many ways lead to the fallen one,  
Lucifer, fallen light...  
Oh what have I done?  
What is going on?

We should bring salvation,  
Not give in to his temptation - no!  
Read and preach the holy world  
And no forbidden lies that hurt.  
I remember words of "seven".  
Set me free - sanity!

[Lugaid]

Reach out for the light  
Far beyond confines.  
You have read the magic lines  
Leading to the light in your mind...

[Gabriel]

What is right and what is wrong now?  
Is it a trial of paradise?

Is Anna a witch or do they stick to an error?  
What's the book and the seal inside?

Am I a cleric or maybe a sinner?

Unbeliever? Renegade?  
Was it the devil who led me to "seven"?  
Oh redeemer is it all too late?

Oh, what have I done?  
I have been led by the smelling one,  
Lucifer, fallen light..  
Tell me stranger, what have I done?  
Oh what's going on?

We should bring salvation,  
Not give in to his temptation - no!  
Read and preach the holy world  
And no forbidden lies that hurt.  
I remember words of "seven".  
Set me free - sanity!

[Lugaid]

Reach out for the light  
Far beyond confines.  
You have read the magic lines  
Leading to the light in your mind...
