Everybody likes a celebration  
Happy music and conversation  
I'd be lyin' if I said  
I didn't have the blues

In the corner there's  
a couple dancin'  
From the kitchen I  
can hear her laughin'  
Oh I wish I was  
celebratin' too

(chorus)  
I know (I know)  
this night (this night)  
won't last forever  
I know (I know)  
the sun's (the sun)  
gonna shine sometime  
I need (I need)  
some hope (some hope)  
for a bright tomorrow

To show (to show)  
this heart (this heart)  
is gonna mend just fine

So pardon me for my disposition  
Wish I didn't have  
to sit and listen  
She's playin' the same  
old songs on the stereo

She's been lyin' since  
the day I met her  
I'd be better off  
to just forget her  
Oh I would rather be  
lonesome all alone

(chorus)

(instrumental)

(chorus to fade)
