(M)

Whenever I call you friend
I begin to think I understand
Anything we are
You and I have always been ever and ever

(F)

I see myself within your eyes
And that's all I need to show me why
Everything I do, always takes me home to you
Ever and ever

(M)

Now I know my life has given me more
Than memories

(M&F)

Day by day... we can see
In every moment there's a reason to carry on

Chorus: (M&F)

Sweet love showin' us a heavenly light
I've never seen such a beautiful sight
Sweet love flowin' almost every night
I know forever we'll be doin' it right

(F)

Whenever I call you friend
I believe I've come to understand
Everywhere we are you and I were meant to be
Forever and ever

(M)

I think about the times to come
Knowin' I will be the lucky one
Ever our love will last
I always want to call you friend

(M&F)

Sweet love showin' us a heavenly light
I've never seen such a beautiful sight
Sweet love flowin' almost every night

I know forever we'll be doin' it right

(M&F)

Sweet love showin' us a heavenly light
I've never seen such a beautiful sight
Sweet love flowin' almost every night
I know forever we'll be doin' it, doin' it

(M&F)

Sweet love showin' us a heavenly light
I've never seen such a beautiful sight
Sweet love flowin' almost every night
I know forever we'll be doin' it right
