Whenever I call you friend
I begin to think I understand
Anything we are
You and I have always been ever and ever

I see myself within your eyes
And that's all I need to show me why
Everything I do always takes me home to you
Ever and ever

Now I know my life has given me
More than memories
Day by day we can see
In every moment there's a reason to carry on

Sweet love showin' us a heavenly light
I've never seen such a beautiful sight
Sweet love flowin' almost every night
I know forever we'll be doin' it
Sweet love showin' us a heavenly light
I've never seen such a beautiful sight
Sweet love flowin' almost every night
I know forever we'll be doin' it...right

Whenever I call you friend
I believe I've come to understand
Everywhere we are you and I were meant to be
Forever and ever

I think about the times to come
Knowin' I will be the lucky one
Ever our love will last
I always want to call you friend

Sweet love showin' us a heavenly light
Never seen such a beautiful sight
Sweet love flowin' almost every night
I know forever we'll be doin' it

Now I know my life has given me
More than memories

Day by day we can see
In every moment there's a reason to carry on

Sweet love showin' us a heavenly light
Never seen such a beautiful sight
Sweet love flowin' almost every night
I know forever we'll be doin' it doin' it

Sweet love showin' us a heavenly light
I Never seen such a beautiful sight
Sweet love flowin' almost every night
I know forever we'll be doin' it doin' it doin' it

Sweet love... Sweet love...yeah

you're the glowing light in my life
so so bright in my life

oh everything i do sends me back to you

whenever i call you friend
