"Down To Beautiful"

Down the road
Past the smokestacks and the human haze
There's a place
So beautiful that it cannot be named
Where I'll see you again
I'll see you again

Meet me there
Underneath the marble colonnade
Look for me
I'll be wearing something that you made
Where I'll see you again
I'll see you again

Lets go down to beautiful
Lets go down to beautiful
So alive when I'm with you
So alive when I'm with you
Lets go down to beautiful
Lets go down to beautiful
So alive when I'm with you
So alive

My love kiss our tears
Cover all my fears
I'll see you again
I'll see you again

Lets go down to beautiful
Lets go down to beautiful
So alive when I'm with you
So alive when I'm with you
Lets go down to beautiful
Lets go down to beautiful
So alive when I'm with you
So alive

It's not as far as it seems
In between awake and a dream
A dream

So lets go down to beautiful
Lets go down to beautiful
So alive when I'm with you
So alive when I'm with you
Lets go down to beautiful
Lets go down to beautiful
So alive when I'm with you
So alive when I'm with you.
