I see you not like you do.
Not the part, but the whole!
Stagelights on now, take your cue.
Alright, alright, alright!
Why so scared of your shadow?
Prisoner of your own life.
Sleeping on your star of gold.
Alright, alright, alright.

Chorus:

You were born for this, you were born for this.
C'mon light it up.
It's your life, you don't wanna miss.
You were born for this, you were born for this.
C'mon light it up.
It's your life you don't wanna miss you!
You don't wanna miss you!
You don't wanna miss you!
Alright, alright, I said alright, alright?

No one else can play your part.
Liberate all your dreams!
Speak the lines within your heart.
Alright, alright, alright.

Chorus;

You were born for this, you were born for this.
C'mon light it up.
It's your life, you don't wanna miss.
You were born for this, you were born for this.
C'mon light it up.
It's your life, you don't wanna miss you!
You don't wanna miss you!
You don't wanna miss you!
Alright, alright, I said alright, alright?

(alright)

Don't believe in the rules,
Don't believe in the stars.
I believe you were made for your life,
Yes you are!

Alright, alright, alright

Chorus:

You were born for this, you were born for this.

C'mon light it up.

It's your life, you don't wanna miss.

You were born for this, you were born for this.

C'mon light it up.

It's your life, you don't wanna miss.

You were born for this, you were born for this.

C'mon light it up.

It's your life, you don't wanna miss.

You were born for this, you were born for this.

C'mon light it up.

It's your life, you don't wanna miss you!

You don't wanna miss you!

You don't wanna miss you!

Alright, alright, I said alright, alright?
