All I want and all I need  
You hold all these things  
In Your hands (oh Lord, yeah)  
I can wish I may and wish I might  
But I wont find it in the stars tonight  
Its in Your hands (oh Lord)  
So all I want is You  
All I need is You  
So take my heart and take my mind  
I want to leave this world behind  
I give you everything (All I want is You)  
Youre the reason that Im alive today  
I throw my cares away  
As I stand to shout and sing  
All I want is You  
All I need is You  
So take me and hold me  
Shape me mold me  
Fall all over me till everything is new  
Cause nothing in this world can satisfy me  
Cause all I want is You  
All I need  
Yeah, you're everything to me  
I have nothing without you  
Everything I love  
Cause there's no love without You  
And every part of me  
Cries for You (yeah)  
Cries for You (yeah)  
So take me and hold me  
Shape me mold me  
Fall all over me till everything is new  
Cause nothing in this world can satisfy me  
So all I want is You (All I want is You)  
All I need is You (All I need is You)  
All I want is You (All I Want is You)  
All I need (yeah)  
All I need is You
