I'm a cop and I'm proud of it
A cop yeah so full of myself
A cop I've got a big stick
A cop I've got a killing truncheon

Alive to destroy your mind
A hit to satisfy my soul
Insane I want to rape your ass
A hit to satisfy my soul

Cop cop

Alive to dominate your mind
A hit to satisfy my soul

Cop

I'm a cop I'll make you to the line
A cop oh no don't struggle too much

The embodiement of frustration
Cop cop

Alive to destroy your mind
A hit to satisfy my soul
Insane I want to rape your ass
A hit to satisfy my soul

Cop

Alive to dominate your mind
A hit to satisfy my soul

Cop

Alive to destroy your mind
A hit to satisfy my soul

Cop
