### "It's Been A Shame"

Over in a moment  
You've the only lifeboat  
Say you can soothe  
But you know that you don't  
Bitterer because  
You said it was perfect and i thought it was  
Just like everyone does  
It's all on my shoulders  
You're the one who got to say  
"this has all been shame"  
And i'm the one who had to stay  
Bitterer because  
You said it was perfect and i thought it was  
Just like every fool does  
It's all on my shoulders  
You're the one who got to say  
"this has all been a waste"  
And i'm the one who had to stay  
Trying to find it  
A reason not to ache  
Like when you say that you don't care to stay  
You're still not on your way  
Anything i'm still aching
