Is it wrong  
To feel the way I do  
Will I go on,  
With this feeling that I have

Refrain:

Couldn't be sure  
If you'll open up your heart for me  
If baby I would say...

Chorus:

That I love you my angel,  
(For) You're the one who makes me dream,  
Fills my heart with everything  
So I need you my angel,  
Will I ever hold your hand,  
And whisper what I truly feel for you

How can I start to tell you,  
This feeling makes me weak  
Will I keep this love forever,  
Ignore my love for you

Repeat Refrain, Chorus

Bridge:

How can I say  
When will I start  
I'm afraid  
I'm afraid (I'm afraid)  
Oh, how can I say  
I'm scared of losing you

Repeat Chorus 2x
