[M&L - M. Kiske]

Hey you! Don't you get tired -
Tired of being everybody's dick?
Hey you! Don't you feel sick of -
Sick of playing the target for their kicks?
Hey you! Don't you feel anger sometimes -
The anger of being a wimp with no possible win?
Hey you! Don't you feel empty enough -
To close that human hole from your stomach to your
chin?
Creeps crawl by and seek a taker for their needs
You lose your face and bleed. An easy chance to feed
some hate.

Ban 'em out of your heart! - Infection's lifetaking!
They tear your world apart! - All settlement's mistaking
Inhaling stays heart - when rotten's the air that you
breathe
And freedom's sweet!

We Shimmer and die on
Shimmer and cry on
We shimmer and die on
Along with our needs
Don't shimmer and die on
Shimmer and cry on
Don't shimmer and die on
Along with your needs
It all falls down for better days

Ahh! - She goes crazy
Ahh! - Don't go crazy
Keep 'em off
Ban 'em out of your heart!

Hey you! Tell me can you hear me?
Tomorrow don't exist when today was never true!
Hey you! Just Tell me can you hear me?
Fuck all securities! Losing spine won't do!

You search for wings to fly - You'd like to fly so high!

But no one knows the sky - and you forgot to buy some time.

Trapped in your fears! - Lost in frustrations!
You die through the years! - A hopeless sensation!
Start it all from here - before it eats all that you've been!
Let your heart sing!

We Shimmer and die on
Shimmer and cry on
We shimmer and die on
Along with our needs
Don't shimmer and die on
Shimmer and cry on
Don't shimmer and die on
Along with your needs
It all falls down for better days

Ahh! - She goes crazy
Ahh! - Don't go crazy
Keep 'em off
Ban 'em out of your heart!
