[M&L - Taraxes]

Black winds and blue waters  
A universe of sounds  
Emptiness and sunshine  
It's all the same

She dreams about flowers  
And opens up her mind  
When she is near it's oh so clear  
I'm waiting

I'm waiting for the day without a sign  
I'm waiting to show the love I kept inside

She's burned out without love  
She's thinking about to go  
The memories the apologies and everything  
So what're you gonna do girl?  
Everyone thinks you're a fool child  
You tried to love, it breaks your heart  
breaks your heart

Sweet child come take my hand  
I know the reason why you're sad  
All the love I have I give to you

Come on smile, look at me  
Show me what you really feel  
All your tears will dry before the night

I'm waiting for the day without a sign  
I'm waiting to show the love I kept inside

She's burned out without love  
She's thinking about to go  
The memories the apologies and everything  
So what're you gonna do girl?  
Everyone thinks you're a fool child  
You tried to love, it breaks your heart  
breaks your heart
