Masquerade, masquerade,  
Grab your mask and don't be late  
Get out get out well disguised  
Heat and fever in the air tonight  
Meet the others at the store,  
Knock on other people's door  
Trick or treat they have to choice,  
Little ghost's are makin'lotsa noise

But watch out...beware - listen...take care

[Chorus]

In the streets on Halloween  
There's something going on  
No way to escape the power unknown  
In the streets on Halloween  
The spirits will arise  
Make your choice, it's hell or paradise  
Ah - It's Halloween  
Ah - It's Halloween...tonight!

Someone's sitting in a field,  
Never giving yield  
Sittinh there with gleaminf eyes,  
Wating for big pumpkin to arise  
Bad luck if you get a stone,  
Like the good old Charlie Brown  
You think Linus could be right  
The kids will sy it's just a stupid lie

But watch out...beware - listen...take care

[Chorus]

Listen now - we are calling you...  
And there is magic in the air

[Solo]

[Kai]

Magic in the air... on Halloween  
Black is the night full of fright  
You'll be missing the day

What will be here very soon  
Changing your way  
A knock at your door  
It is real or is it a dream  
On trembling legs you open the door  
And you scream...on Halloween  
[Solo]  
[Kai/Mike/Kai/Mike]

Darkless  
Where am I now  
Is there anybody out there  
What has happened  
Am I in heaven  
Or is it hell

I can see a light comin'  
It's comin' nearer  
It's shining  
It's shining so bright  
It's shining on me

[Solo]  
[Kai/Mike/Rhythm change]  
[Mike/Kai/Mike/Kai]

I am the one, doom's in my hands  
Now make your choice,  
redeemed or enslaved

I'll show you passion and glory  
He is the snake  
I'll give you power and abundance  
He's the corrupter of man

Save me from the evil one  
Give me strength to carry on  
I will fight for all mankind's  
deliverance and peace of mind

[Harmony Solo]  
[both]

But watch out...beware - listen...take care

[Chorus]

Yeah, it's Halloween  
Yeah, it's Halloween...tonight
