[Music + lyrics: Kai Hansen]

[Solo: Kai]

Hours of lust, hours of tears passing by before my eyes  
today, tomorrow, yesterday. . .one life  
days of joy, day of sadness come and go to pass me  
by  
a month, a year, one hundred years, they fly

[Bridge:]

Ohh, one day I will be gone to lead another life  
ohh, and this world will stop to turn around with me  
'cause

[Chorus:]

Time. . .marches  
time. . .marches  
on without us all, never stops, yes  
time. . .marches  
time. . .marches  
on and on and on, flies eternally

Times of peace, times of fights, constant movement is  
our life  
can't stop no more, not until. . .we die  
we long for more. . .eternity, and maybe there's  
another life  
this one is short, no matter how you try

[Bridge:]

Ohh, but never give up all the hope to lead a good life  
no, don't waste your given time to make things worse

[Chorus:]

Time. . .marches  
time. . .marches  
one without us all, never stops, yes  
time. . .marches  
time. . .marches  
on and on and on, flies eternally

[Solo: Kai/Michael/Both]

Please, please help me see, the best way to be  
make a change and we, live eternally  
no more wasted years, no more wasted tears  
life's too short to cry, long enough to try

[Chorus:]

Time. . .marches  
time. . .marches  
on without us all, never stops, yes  
time. . .marches  
time. . .marches  
on and on and on, flies eternally
