So here I go again  
Falling headfirst into this descent  
I've tried to shed this skin  
But somehow I keep slipping back into it

Build a wall to stop these demons  
Break my bones and I can't feel it  
Late again, Late again  
Shut my eyes to kill these reasons  
Boil my blood to keep from healing  
Late again, Late again

Obligatory grin  
Sometimes its too exhausting to fit in  
Why should I pretend  
That I need everybody to be a friend?

Build a wall to stop these demons  
Break my bones and I can't feel it  
Late again, Late again  
Shut my eyes to kill these reasons  
Boil my blood to keep from healing  
Late again, Late again
