When the story first began
Before you were my friend,
Baby I wanted you to come my way
Just the mere concept of you
Girl I had these thoughts of you
Like a vision of love dream come true

Girl I give my life to make you think of me (and girl you
know I would)
Girl I need your love to make me feel complete

All my life, I been wanting me a chick like you for me,
All my life, tryna have what I saw on the movie screen,
All my life, I been tryna make a dream reality,
All my life, I been wanting to make this thing complete
Shawty you and me.

So can we make my vision real
With the love I can feel
Can you walk in my dreams and appear to me
Cause your the perfect one I choose
Your my partner I cant loose
If you play on my team shawty you will see

Girl I give my life to make you think of me (and baby
girl I need your love)
Girl I need your love to make my life complete

All my life, I been wanting me a chick like you for me,

All my life, been tryna have what I saw on the movie
screen,
All my life, I been tryna make a dream reality all my
life,
All my life, I been wanting to make this thing complete
Shawty you and me (baby all my life)

And if you want to know the truth
shawty you're the one I choose,,
The one that lives only here in my mind
(you're the only one that lives in my mind)
and if the only thing I do,

Is make it through to you,
I'd be satisfied

All my life, I been wanting me a chick like you for me,
All my life, tryna have what I saw on the movie screen,
All my life, I been tryna make a dream reality,
All my life, I been wanting to make this thing complete
Shawty you and me.

All my life, I been wanting me a chick like you for me,
All my life, tryna have what I saw on the movie screen,
All my life, I been tryna make a dream reality,
All my life...
