It's still ringin' in my ear
You screamin' out of here
And I can see it like it just went down
You walkin' out of there

I still see 'em on your face, baby
So many tears
And I remember feelin' like I'm 'bout to explode
Gotta get out of here

It's like my sun won't shine
It's like my ride don't roll
It's like the only one thing I love
Don't love me no more

It's like my right go wrong
It's like my ice gone warm
It's like the only one thing I love
Don't love me no more

If I had just slacked up on my pimping
You'd be here with me
If I'd a stayed instead of dipping
You'd be here with me

If I'd a prayed instead of wishing
You'd still be here with me
But all the ifs in the world
Won't bring you back again

I wish that I could run that back
But in life you can't press rewind
'Cause the only way to fix this thang
Is to go back in time

'Cause if I had my way
Yesterday would be right now
Instead of fighting we'd be making love
'Til the sun go down

It's like my sun won't shine
It's like my ride don't roll

It's like the only one thing I love
Don't love me no more

It's like my right go wrong
It's like my ice gone warm
It's like the only one thing I love
Don't love me no more

If I had just slacked up on my pimping
You'd be here with me
If I'd a stayed instead of dipping
You'd still be here with me

If I'd a prayed instead of wishing
You'd still be here with me
But all the ifs in the world
Won't bring you back again

If I had just slacked up on my pimping
You'd be here with me
If I'd a stayed instead of dipping
You'd still be here with me

If I'd a prayed instead of wishing
You'd still be here with me
But all the ifs in the world
Won't bring you back again

If I could just hold my shawty
If I could kiss my shawty
If I could get my shawty back
If I could just see you baby
If we could talk then baby
I would have my lady back

If I had just slacked up on my pimping
You'd be here with me
If I'd a stayed instead of dipping
You'd still be here with me

If I'd a prayed instead of wishing
You'd still be here with me
But all the ifs in the world
Won't bring you back again

If I had just slacked up on my pimping
If I'd a stayed instead of dipping
You'd still be here with me
But all the ifs in the world
Won't bring you back again

It's like my sun won't shine
It's like my ride don't roll
It's like the only one thing I love
Don't love me no more

It's like my right go wrong
It's like my ice gone warm
It's like the only one thing I love
Don't love me no more

I keep thinking if, oh, if
You'd be here with me
I keep thinking if, oh, if
Still be here with me
What good is if, oh, if
Still be here with me

But all the ifs in the world
Won't bring you back again
Won't bring you back again
Ain't gonna bring you back
