Shawty we been sippin on bub'
And I done had enough
Lets get up out this club
Cuz I'm tryna get you
Alone alone alone
Youuu
Alone alone alone
Shawty we been flirtin all night
And once we outside
Imma offer you a ride
Cuz I'm tryna get you
Alone alone alone
Youuu
Alone alone alone

Twinkle twinkle little star
Over there standin by the bar
Would you mind if I came to where you are (where you are)
When I look in your eyes girl your tellin me yes
And when I look at the way yo booty poke out of that dress
No no girl don't try to hide it
I'm on my way over there stand right beside it
I wanna know
How you doin?
What's your name?
Girl this chemistry we share is so insane
Can tell u know what's happenin
Me and you jus laughin
Plus my phone done died so put your number on this napkin

Shawty we been sippin on bub'
And I done had enough
Lets get up out this club
Cuz I'm tryna get you
Alone alone alone
Youuu
Alone alone alone
Shawty we been flirtin all night
And once we outside

Imma offer you a ride
Cuz I'm tryna get you
Alone alone alone
Youuu
Alone alone alone

Beautiful. gorgeous
I aint tryna buy your time I can't afford it
What I'm tryna do is paint a pretty portrait
Me and you a chariot ride with horses
I done came along way from white tees and forces
And as a man I understand we can't force it
But if I walk you outside where the porsche is
I'm tryna take you back home to my fortress
Women take my hand. tell me what's your name
Girl this chemistry we share is off the chain
Tell me what you think
You and I been laughin
Baby girl I'm askin
For a night of passion

Shawty we been sippin on bub'
And I done had enough
Lets get up out this club
Cuz I'm tryna get you
Alone alone alone
Youuu
Alone alone alone
Shawty we been flirtin all night
And once outside
Imma offer you a ride
Cuz I'm tryna get you
Alone alone alone
Youuu
Alone alone alone

All I'm thinkin
How can we get
Alone alone alone
Alone alone alone
And once I get you imma kiss you
Imma touch you cuz you softer than some tissue
And when you leave me I'm gon' miss you
Gotta get you alone

Shawty we been sippin on bub'
And I done had enough
Lets get up out this club
Cuz I'm tryna get you
Alone alone alone
Youuu

Alone alone alone
Shawty we been flirtin all night
And once we outside
Imma offer you a ride
Cuz I'm tryna get you
Alone alone alone
Youuu
Alone alone alone

I hope your cool with that
Just you and I girl
