I juss wanna let you know that I appreciate ya
In every single way that I can
And lady there's no one, there's no one like you, you
To make me wanna go out my way
And make sure every day is your special day

[Chorus:]

And if there is anything u need
(I will give it to you)
And if there is anything you want
(I will give it to you)
And if there is anything you ask
(I will give it to you)
Yes I do (I will give it to you)
Cuz if there is anything you need
(I will give it to you)
If there is anything you want
(I will give it to you)
If there is anything you ask
(I'll give it to you baby)
Yes I will

Flowers on your birthday
Diamonds every anniversary
We'll go see a movie every Friday
(Cuz it's the little thigs that count)
Cruises every Valentine
I'll do anything to keep you mine
And to show that my love is real, for you

[Chorus]

[Bridge:]

If when the time is right to settle down
And all is fair in love
You're gonna be the one
And baby that's on my life
Just because you down for me
I'm down for you There's nothing I won't do
(Anything)
Anything you need ooooh I will give it to you baby
Just ask me lady

(And I will give it to you)
[Chorus:]
And if it's money that you need
(I will give it to you)
And if it's kisses that you want
(I will give it to you)
Girl if it's lovin that you need
(I will give it to you)
Don't be afraid to come to me
(I will give it to you)
