Walk up in the club, shortie, hangin' from da ceillin'
Ten thousand one's, mama lookin' like a million
Grown man hang, no place fo da children
I know dis is Atlanta but I'm still talkin' Ginia

Me and money bags tradin' musta seen us through the
mirror
They all lined up
('Cos)
Just to get near us
I swear in Miami was a chick just like it
She bent down, backed up and did the motor cycle

Oh baby, you lookin' so fantabulaso
You makin' me wanna chase you for the besto
I'm just a hustla, I dem otha niggaz tipo
Smoke some furnest up, an' cause a little trouble

Oh, you know you doin' ya thing
(Your thing)
An' got cha body in vane
(In vane)
The show you givin' me is insane
And I just wanna know one thing
(Baby)

Are you a peforma?
(Are you a peforma?)
I bet you dance in the mirror
(I bet you dance in the mirror)
To see your body more clearer
(To see your body more clearer)

Throw your clothes in the corner
All I wanna know is
Are you a peforma?
(Are you a peforma?)
I bet you dance in the mirror
(To see your body more clearer)
Throw your clothes in the corner

Damn and I can see from a new bitty level

Stuffed up in them jeans is a thing that is so swole
An' I can dance on you like poppin' on a local
Trick you like a tazer 'coz ya body goin' down so slow

Damn you know you doin' ya thing
Queen, can I be your king?
The show you givin' is insane
And I just wanna know one thing
(Baby)

Are you a peforma?
(Ohoho, are you a peforma?)
I bet chu dance in the mirror
(I bet you dance in the mirror)
To see your body more clearer
(To see your body more clearer)

Throw your clothes in the corner
All I wanna know is
Are you a peforma?
(Are you a peforma?)

I bet you dance in the mirror
(I bet you dance in the mirror)
Throw your clothes in the corner
Are you a peforma?
You know you make me wonder
(If it's what I wanna do, shortie)
Make it rain
(For ya, baby)

Are you a peforma?
(Ohoho, are you a peforma?)
I bet chu dance in the mirror
(I bet you dance in the mirror)
To see your body more clearer
(To see your body more clearer)

Throw your clothes in the corner
All I wanna know is
Are you a peforma?
(Are you a peforma?)

I bet you dance in the mirror
(I bet you dance in the mirror)
Throw your clothes in the corner
Are you a peforma?
You know you make me wonder
(If it's what I wanna do, shortie)
Make it rain
(For ya, baby)

Now 50 had '21 Questions' but I only got one
Are you a peforma? Are you that one?
Do you dance in ya room by yourself?
You could do it, do it till you're off breathe

Yeah, she got a arch in her back
Yeah, she know how to throw it back
Yeah, I think, I like it like dat
Yeah, I'm a spin a couple stacks

Any time she walk by it seem like we caught eye
Anotha sweat, anotha style, den, shortie, talk fly
Then stand on the beach, she make grands on her feet
I gotta see ya once a week, I think shortie own me

Or could it be she diggin' me, a couple shots of
Hennessy
In between the sheets in a suite is where we fina be
Lights off, dress gone nibble on my neck bone
Sayin' dat she love me ,while she scratchin' wit her
press on's
(Press on's)

Are you a peforma?
(Are you a peforma?)
I bet you dance in the mirror
(I bet you dance in the mirror)
To see your body more clearer
(To see your body more clearer)

Throw your clothes in the corner
All I wanna know is
Are you a peforma?
(Are you a peforma?)
I bet you dance in the mirror
(To see your body more clearer)
Throw your clothes in the corner
