Stupidly stupid a dat  
Girl that booty so stupid I getchu wet it be oozing I stick

I stick my tongue out I do it  
I pool stick and cue it and now I think I drank some shot  
of pussy juices from cupid [x2]  
That booty gummies gummy I bet it softer than gummy  
Now stick it right out I bite out a lil piece and it yummy

If I need a spot  
I take a few alot of my hoes to go if I knew for sure  
That they ass would grow

It's soft and gushy it's wet and it's smoshy it's smell  
like badussy  
I'm high on the kushy I leave in the mourning she  
sleeping and snoring what o nuts  
This slut gots bucked I think I got like 3 or 4 in

You so silly you so pretty  
But I can't kiss u in your mouth
