shorty that ass like a truck the way you are backing it
up uu
shorty the way you are walking around is making
me do something freaky to you uuu
girl and .. hug your ..i could get hugging on a teddy bear
i wanna take your clothes off right there on your
underwear
then i will take my hand touch then i will take my lips
muah
then i will take my tongue lick lick lick
girl you know how i get down i am a freak
girl you know how i get down up in those sheets
just stay the night and do it till the morning
we are gonna boogie that's what i wanted
girl could you back it up
girl could you back it up

just like a truck your bootie need a horn
girl your bootie like a truck when you are backing it up
on me
it's so good when you are backing it up on me
girl i swear this is how good love it supposed to be

girl bring it to daddy

want you keep your heels on and throw up your feet
one keep my feet alone on this satin sheet
freaky when you back up spike it if you act up
i got you blind my truck
hold on wait a minute take it slow
you got me .. baby calm down
girl you know how i get down i am a freak
girl you know how i get down up in those sheets
just stay the night and do it till the morning
we are gonna boogie that's what i wanted
girl could you back it up
girl could you back it up

just like a truck your bootie need a horn
girl your bootie like a truck when you are backing it up
on me
it's so good when you are backing it up on me

girl i swear this is how good love it supposed to be

i got a thing for your body

i just want you to feel me

i wanna .. to your body

and i hope she can hear me

girl is only your body

your body x6

girl is only your body

your body x6

girl your bootie like a truck when you are backing it up

on me

it's so good when you are backing it up on me

girl i swear this is how good love it supposed to be
