Look what this girl Â... did to me
She don' cut me off from a good good love
She told me that those days where gone

Now I'm sitting here goin' half crazy
'Cause I know she still thinks about me too
And it ain't no way in hell
That I can be just friends with you

And I wish we never did it
And I wish we never loved it
And I wish I never fell so deep in love with you and
now it ain't no way we can be friends

The way it felt no fakin' it
Maybe we were movin' just a little too fast
But what we've done we can't take it back

Now I'm sitting here halfway crazy
'Cause I know she still thinks about me too
And it ain't no way in hell
That I can be just friends with you

And I wish we never did it
And I wish we never loved it
And I wish I never fell so deep in love with you and

now it ain't no way we can be friends

And all I can say is
La la la la la la la (la)
La la la la la la la la (la la la ooh)
La la la la la la la la la (hey)
Ain't no tellin' what we could have been
Ain't no tellin' what we could have been (no)

And if I knew it ends like this
I never would have kissed you cause I fell in love with
you
We never would have kicked it
Girl now every things different
I've lost my only lover and my friend

That's why I wish we never did it
Oooh yea
And I wish we never loved it (I wish we'd never loved
it)
And I wish I never fell so deep in love with you and
now it ain't no way we can be friends (we can't be
friends)

La la la la la la la
La la la la la la la la la
La la la la la la la la la la
