(Feat. Sani G)

Hey Look Right, You Got A Few Choices That Need To
Be Made Shawty.
It's Gonna Be Me And You, Me And Her, Or... Me, U And
Her. Why Not?

[Verse 1: Trey Songz]

I Got One On My Arm, And I Was Hopin That Maybe Just
Maybe,
U Kno, U Can Tag Along
And I Kno It Sound Freaky And Crazy, But that's How I
Get It On
Now I'm Leavin It Up To U, But Baby... don't U Take To
Long
The Game Is Over Baby Girl The Choice Is All On U

[Chorus: Trey Songz]

Life Is Wat U Make It
U Aint Gon Get That Chance Unless U Take It
If U Gon Come Hard, Come Girl U can't Fake It
I Could Roll Wit Her, I Could Rol Wit U, Wat U Wanna
Do?
The Game Is Over Baby Now The Choice Is Up To U

[Verse 2: Trey Songz]

Shawty Let Me Kno, Cuz I Love Ya
See I Could Let U Go, Or I Could Cuff Ya
It Makes No Difference To Me, But I'd Rather It Be U
Baby
Long As U don't Play The Game
But Game Is Over And The Choice Is Up To U

[Chorus: Trey Songz]

Life Is Wat U Make It
Aint Gon Get That Chance Unless U Take It
If U Gon Come Hard, Come Real And U can't Fake It
I Could Roll Wit Her, I Could Roll Wit U, Wat U Wanna
Do?
The Game Is Over Baby Now The Choice Is Up To U

[Bridge: Trey Songz]

Cuz U Are The One I Want, But She Is All I Need
U Both Could Give Good Love, And That Means So
Much To Me
And I'd Like To Have The Two, But I Kno I'd Have To
Choose,
So U Gon Have To Choose Too
Help Me Decide it's U

[Chorus: Trey Songz]

Life Is Wat U Make It
U Aint Gon Get That Chance Unless U Take It
If U Gon Come Hard, Come Girl U can't Fake It
I Could Roll Wit Her, I Could Roll Wit U, Wat U Wanna
Do?
Game Is Over Baby Now The Choice Is Up To U

[Verse 3: Sani G]

I'm A Hood-Like Veteran, A Four Star General
Respected, Selected, To Stand On The Pennicle
The Crown On My Head, At The Top Of The World,
Doin A Hundred, Getin Blunted In The Drop Wit The
Girls
Francised In My World, See Bannana Bezzles
Ol School Like Every Nevel, This Is King-Pin Level
They Love Me Cuz I'm Real, Kno They Got No Actor
Break They Backs Everytime, Like Chiroprator
Let Me Show U The Way, Enjoy A Conversion
While We Lay On The Persian, Yo Juices Surging
My Good Friends Talk About It, They Say Three A Party
Its, Betta When U Got Four Hands On Ya Body
It's Extra Large Magnums, Everytime I Strap Up
One Take A Nigga Down, The Other Get It Back Up
Don't Knock It Till U Try It, Lay Next To Me
Sex Wit Her And Me, Is Like Exctasy

[Chorus: Trey Songz]

Life Is Wat U Make It
U Aint Gon Get That Chance Unless U Take It
If U Gon Come Hard, Come Real And U can't Fake It
I Could Roll Wit Her, I Could Roll Wit U, Wat U Wanna
Do?
Game Is Over Baby Now The Choice Is Up To U

... To U
The Choice Is Up To U
