It's the prince.
Ey listen,
I'm tryna mack at you shawty you got a immaculate
body
And I'm a master with body's and your type is so right.
I know right, we go right together
And i'm like whatever, whenever, where ever,
and you can be my janet jackson.
Making action packed films,
never act and you never knew your legs
could go so far back then.
Am i gettin ahead of me?
seeing you give head to me in a crib that we own,
while I'm on low, cause the keys is better sleep
I know i'm here but your real girl I'd rather be,
my nigga's said I need to let her be
but I'm a letter G
and I'm so high feeling lighter then a feather be, girl
Through you I see a better me.
I know I just met you, but you special.
And I ain't gonn' let you pass, shawty don't walk by so
fast
look here, naah,
Don't walk by so fast [x2]
'cause you special, naah
Don't walk by so fast
Shawty don't walk by so fast
Look here, 'cause you special
'cause you special [x3]
Two up, two down, it's the prince with his crown.

Come on.

[Chorus:]

And you can call me 7/11 oh oh 'cause I'm open all
Day and all night for you

This ain't proper, I think I need to see a docter oh oh
I must have fell up in heaven, oh oh
Oh my lord jesus, I believe this
Woman is so for me it's crazy
And I ain't faking [x10]

Two up, two down
I must have fell up in heaven, oh oh
Oh my lord jesus, I believe this
Woman is so for me its crazy
And you can call me crazy
But a nigga so wrong
You can call me crazy
Call me crazy
But I ain't fakin'
Call me crazy [x2]
But I ain't fakin'
Call me crazy [x2]
But I ain't fakin'
Call me crazy
And you can call me
But a nigga so wrong.

You can call me 7/11 oh oh 'cause I'm open all day
And all night for you
This ain't proper, I think I need to see a docter oh oh
I Must Have Fell up in heaven, Oh Oh
Oh my lord jesus, I believe this
Woman is so for me it's crazy
Crazy [x3]
And I ain't fakin' [x10]
Crazy...
