Tell me what's happening
I'm addicted to plastering
These rappers beats with my vocals
What happens when I'm ask 2 sing
no problemo instrumentals
I guess they ask 4 me
Then I answer give em cancer
And they come back fo me
So why the mad at me
Cause my mental compacity
Get to over lapping them bastards
The audacity
haters even clap 4 me
Realizing actually
I represent the betterment
And they just late like letterman, man
Trey Song Page Long
List of who I'm better than
Contact my liazon
I might need excederin
Sicker than I eva been
They want me instead of em
And if they dislike it
I'm letting them
so let em in
Guess I'm spose to let em win
If u was to bet again
It be best if u would just Put paper on the neverson
I'll let u know
I walk all through tha best of yo I guess u know I'll
stretch ya hole
Her love drip on my testicals
Seeing my

And I am him flyer then
Perpellers u so jealous

Jus like a freak that's masterbatin
Be makin fashin statements

When I leave my place of residence
Feel like I'm intelligent
And everybody is hella dence
