Ding Dong. Ding Dong

Ding Dong. Ding Dong

Guess whose coming to dinner tonight?
You gon' be a part of my meal tonight
But little body [?] baby I want a bite
Trench coat over that skin tonight

Baby it's not a mystery
I want you on top and kissing me
Cuz I been waitin all night long
To get your love lets get it on
I want you baby
I said you baby (you baby)
... tonight (tonight)
The liquor got a nigga so ready
Put my lips all over you
Wanna put on a show for you
This bedroom is my colosseum
Ring my bell I'll let you in

Imma get you naked baby
My love will drive you crazy
Fast and slow and
Baby you gon' know when you ring
My doorbell (ring my doorbell)
Give you that
Ding Dong. Ding Dong
You want that
Ding Dong. Ding Dong

Guess whose comin to breakfast today?
Prancin all around wit them pretty legs
Sunny side up eat it like some eggs

And baby when you pull up to the driveway
And walk your way your the stairs
