I eat the pussy up  
Show a real nigga how it taste  
Leave the pussy with a little face  
Tongue doin'™ tricks on a~er  
Way before I put the dick on a~er  
Give it face on the jetway  
Now a nigga need a neck brace  
Say she got with other nigga, get your balls licked  
Fuck her face harder cuz she gorgeous  
Make her ass clap so a nigga can applaud it  
Bring that ass back, that trigga gonna want it  
Pussy eater on the scene  
Only if the pussy clean  
I beat the pussy up, only if the pussy mean  
I get a~er addicted only if the pussy feen  
Baby I'm a sex king  
Think about it when you sleep, eat the pussy in your  
dreams  
Show me a~bout your mouth  
Say she from New Orleans, baby show me a~bout the  
south  
I kiss it in the kitchen, lick it on the couch  
Hit it in the bathroom, baby show you a~bout the  
house  
Pussy nigga missin'™, give a fuck about your spouse  
All these pussy niggas only wanna show you a~bout a  
drought  
It ain't e'en a~bout that  
Blow that pussy down like a loud pack  
Suck the spot so hard, once I found that  
Put it here, right here, where my mouth at  
I eat the pussy up up up up up up up  
I eat the pussy up up up up up up up  
Tell me that it's sweet as fuck  
Fuck  
So I can eat the pussy up up up up up up up  
I eat the pussy (Once)
