(Intro)

(Trey Talking)

Uh this goes out to you(you) and you(you) and you(you)
and you
Oh listen

(First Verse)

To say im egotistical
Is so stereotypical
If I say im the shit then baby you can be my tissue roll
Girl you like a tootsie roll
How many licks do it take till it stick to my face(I wanna
know)
45 46... 50 licks
Got somewhere to go so can we make it quick
Not a quickie though
Have faith like biggie though
I'm on the chase for that Diddy doe
I should make a sex video
Way I'm hitting hoes
They be singing opera like figueroa figueroa figueroa
Yea singin' nigga from the ghetto
Ain't nothing like a pretty woman in stilettos
(Yaaa) sex olympics I won a medal
Girl you need to ride no breaks no pedals
Yea I'm drunker then a motherfucka
Even when I'm drunk tho I'm hotter then these other
bustas
They say I'm wrong for saying that
(Well)But shit you wrong for saying that
I'm sippin' on dos equis
You so petty
I'm so Ready
Once had a awkward moment only cause I wanted to
Middle finger my opponents (F You)
Baby girl I'm zoning
And I really give a fuck if you was on it
Song called bedroom could you feature on it
Satin sheets bed room I'ma beat chu on it
They say my head big
Cause my head is
So I walk like my legs big

Is it illegal to have an ego the size of Pluto
When I, know that I'm flier
Then any guy that chu know

Baby what cha name is
Tell me who you hang wit
Money out the anus
I can make you famous
So many people say that I'm conceited
(Well damn.! Come on)
I'm starting to believe it
Set a lot of goals and I'm starting to achieve it
Tell me what's the reason
Winter, Spring, Summer, Fall
All of y'all think I'm the one you wanna be with
I be on some "G" shit
I hit it the deepest

Chorus(Beyonce)

It's Too big
It's Too wide
It's Too strong
It won't fit
It's too much
It's too tough

(Trey)

She talk like this cause I can back it up(true)
I got a big YOU KNOW(yes I do)
Such a huge YOU KNOW
Its so big
And she love my big YOU KNOW(that's what she said)
I talk like this cause I can back it up

(Second Verse)

Flight got delayed I was waiting on the call
Couple hours later performing for a crowd
Said that I'm the shit
Shawty watch me move her bowel
Just like Vana White when shawty move a vowel

Beast tryna eat a wilder beast on the prowl
Get it super wet know you gone need a towel
You a super freak gone and put it in yo mouth
Half on a baby we gone end up with a child

Chorus(Beyonce)

It's Too big
It's Too wide
It's Too strong
It won't fit

It's too much
It's too tough

(Trey)
She talk like this cause I can back it up(true)
I got a big YOU KNOW(yes I do)
Such a huge YOU KNOW
Its so big
And she love my big YOU KNOW(that's what she said)
I talk like this cause I can back it up
