You probably could have make it work in the past life,
Sad vows, I make you the first and last wife,
A rich Nigger does certain to hit and ask right,
Make a broke...look like a low gas price.
Truthfully I was digging your style,
I kept the hills on, I'm hitting you all right!
Poker chips and Vegas dinners,
...so you pick a girl out.
I look at you and see a different girl, now,
Can get you with me, a different world now,
A good girl, then I turned you into a bad bitch,
Constipated as she never had shit.
I'm so over you, you hear?
You should havethat,
Fucking with my phones,
When I'm gone, like you want that
I was fucking with you but I'm bachelor.
Money is my only girl, don't laugh, relax!

Chorus:

Fuck with you no more,
I just can't fuck, just can't fuck with you no more.
Fucking with you is bad for my health!
Fuck with you no more,
I just can't fuck, just can't fuck with you no more.
Fucking with you is bad for my health
Fucking with you is bad for my health!

I'm crazy with the heat, but she's crazy in here,
I track a lot of burst cause I make a lot of...
Searching for my girl, hoping love is forgiven
And I find that the dove it ain't nothing but a pigeon.
Oh I know, I ain't more but a player,
Guess is value to make a more...
Can't blame for wanting sound amazing,
Shy out to the grounds, why can't I get a look at you?
Girl wanting don't want me be impressed by the failure,
Yves Saint Laurent is probably flattered by the ...
I bet you dislike me when I know I am the greatest.
But know I see the beauty when you try to subdue me,
....
But that's the part of my move,

I know deep down you ever happy that you knew me.

Chorus:

Fuck with you no more,

I just can't fuck, just can't fuck with you no more.

Fucking with you is bad for my health!

Fuck with you no more,

I just can't fuck, just can't fuck with you no more.

Fucking with you is bad for my health

Fucking with you is bad for my health!
