### "Feelin' Like Money"

{I be like wat}  
Mirror right in front  
Me, tell me wat I'm  
Gonna be cause u know  
I wanna be a star  
Beat me babe, peep me  
So much swagg u gone  
Have to get some of this  
Ma, A don't no body fight  
Nobody ladies take it  
Easy we get freaky when  
We get out the car, drunk  
Car filled of groupies,  
Shawty spilled luie on my brand new guccie,  
So big kepp G" in so  
Bright like sun in the mornin, there jewelry  
Don't move me so  
Wurrly my money is fallin  
So fulint her movement,  
It's dangerous, riding language, this wat the  
Club gone sound like

Night, like money to  
Night, like money to

Pretty gurls mingling, gone bring em  
In by the two, think

Bottles for the crew,  
A don't nobody shoot nobody, don't no

Body won't no body dying  
At the party,
