[Trey Talking]

Well It appears that you've... done something to me
And I don't know what you did
But you done did it girl
Yeah, you done did it

[Verse 1:]

Ooh honey, I could have all the money in the world
but it wouldn't be nothing without you girl
and ooh baby you could offer me all the ladies in the
world
but I don't want one cause ain't none like my girl
aha baby tell me how can explain it
the love bullet went through my soul
it took my heart and rearranged it
and now you got fullcontrol
and my mistakes and my bad ways .
girl you made a change in this man baby ooh

[chorus:]

I don't want touch another, I don't wanna feel another
woman
Never gonna be another I ain't gotta see another
woman
(nobody but you girl)
If you ever come close to me,
let me have my way .. your all I want
put your body where is suppose to be
and ain't even worry about me
Cause all I want is to please to kiss to find a place
inside ya love
I'll do whatever I need to find a place in your love

You just got me feelin
Like a nigga needs sexual healing (oooohhhh)
uuh babe uh babe
don't you go no further
don't be no distant lover .. my baby
if you let me get it right here right now I swear

the way you let me get it inside you feel I care

[chorus:]

I don't want touch another, I don't wanna feel another
woman

Never gonna be another I ain't gotta see another
woman

If you ever come close to me,

let me have my way .. your all I want

put your body where is suppose to be

and ain't even worry about me

Cause all I want is to please to kiss to find a place
inside ya love

I'll do whatever I need to find a place in your love

I just wanna find a place ..baby [x2]

just want all your heart

I just wanna find a place

inside of you

If you let me get it right here right now

baby girl I swear

If you let me get it...you gonna feel I care

baby you gonna feel I care, yes I care
