Go girl (Go Go)  
It's ya birthday; go girl (Go Go)  
(You know I was comin for this)  
Go girl  
It's ya birthday  
(Don't be surprised)  
surprise !  
(You Ready?)  
Happy birthday (Birthday)  
(Yuuup !)

Birthday  
Shawty, you know what it is  
Trey Songz and ya presence is a gift  
August 4th is when I'm comin wit my shit (My shit)  
Watch yo girl 'fore I be comin through her crib  
Baby, I'll undress ya from the sofa to the dresser  
These singin niggas lyin; I'm the baddest sexer  
I'ma kiss ya lips the way you need it (need it)  
Call me Michael Jackson  
Imma ask you when I Beat It (Beat it!)

Girl, you gon' cry  
(Tears of joy)  
Tears from your eyes  
No cards or candy; gimme them panties  
Girl, I'm your gift tonight  
Girl, you gon' cry (he he!)  
Tears from yo eyes  
Don't wanna disrespect ya, know I just met ya  
But we both know we want...  
First date sex  
(You want)  
First date sex  
(I want)  
That don't make u a groupie to do me  
Girl, we both know we grown  
First date sex  
(You grown)  
First date sex  
(I'm grown)  
This for my niggas

Sip ya liquor

Roll a swisher to this.

If Jamie Foxx can blame it on that a-a-a-a-alcohol  
Then, I know we can take a drink and come up out our  
draws

I said I'm the best girl

She said she doubt it

(Whaaaaaat?!!!)

No limit to sex, girl, I'm bout it, bout it (Uuuh)

Get ya to the suite (Nu Na Nu Na)

(Uh uh uuh)

Hit ya wit tha D

Pullin on yo weave; snatchin out tracks

call attention yo beautician (Aye)

Tell her you done had a midnight wit Trey... (Songz is  
my name...)

Girl, you gon' cry

(Tears of joy)

Tears from your eyes

No cards or candy; gimme them panties

Girl, I'm your gift tonight

Girl, you gon' cry

Tears from yo eyes

Don't wanna disrespect ya, know I just met ya

But we both know we want...

First date sex

(You want)

First date sex

(I want)

That don't make u a groupie to do me

Girl, we both know we grown

First date sex

(You grown)

First date sex

(I'm grown)

This for my niggas

Sip ya liquor

Roll a swisher to this

You Ready?.....Yup
