Wooooooo.....Songz Babyyyyy  
But you can call me Tremaine  
Yeah yeah yeah yeah yeaa-ehhh  
OooooOOooo-Ooohhhh

hey hey  
baby i cant even front sometimes i have days  
where i really miss your love and it drives me crazyy  
to see you in the arms of another man, livin out ya  
plans  
plans that we made together

such a shame  
we ended up this way  
deciding that we're better off with others  
so if he gives you something i can't  
girl im ok with that  
cuz at the end of the day  
all i have to say is

girl your my heart  
you could be with him for life  
that dont change the fact that im your first love  
and im so sure  
i could date another girl and more  
that don't change the fact that your my first love

ooooh ohhhhh  
i cant even lie sometimes i miss you  
and sometimes it gets so hard just for me to

see you out with another girl, another woman in ya  
world  
holdin down my spot

it's such a shame  
we ended up this way  
deciding that we're better off with others  
and if she gives you something i cant  
than im ok with that  
cuz at the end of the day  
all i got to say

is boy ya my heart  
you could be with her for life  
that don't change the fact that i'm your first love  
and im so sure  
i could date another man and more  
that don't change the fact that your my first love

my heart  
for life  
that im your first love  
so sure  
and more  
that your my first love
