I pray for us both, thÃ© every night,
The sake of our love keeps me alive,
the same shoulder here for you and whenever you
should cry
same brother here with you till the moment I die,
ooh, whatever you need be sure that i'll care
i look in your eyes and I know you're scared
But I love you with all of my heart and my soul,
and the diamonds and every dollars

For the sake of our love
I'll promise Imma be willing
go extra just to show you I'm willing
For the sake of our love
I need to know that you care 'bout us
So baby tell me that you willing, to do the same
I just wanna be sure that we both want the same love
Coz there is nothing I won't do for the sake of love, our
love

Our love, our love, (oh oh!)
our love, our love, (for the sake of our)
our love, our love, (oh oh!)
our love, our love, (for the sake of our)

Imma keep commitment, It's one thing I say it,
but Imma gonna be there, believe that
I'm so addicted to your love
and girl you're the only drug I want in my veins
See you're the reason why I'm living love
And you're the only one I'm thinking of, I say it again
But girl I swear the things we're going through
I love you with my heart and my soul.

For the sake of our love
I'll promise Imma be willing
go extra just to show you I'm willing
For the sake of our love

I need to know that you care 'bout us

So baby tell me that you willing, to do the same
I just wanna be sure that we both want the same love
Coz there is nothing I won't do for the sake of love, our
love

Our love, our love, (oh oh!)
our love, our love, (for the sake of our)
our love, our love, (oh oh!)
our love, our love, (for the sake of our)

Darling, baby,
here's my gift to you my heart and my soul
I wouldn't just give that away,
I need you to know this baby, baby
Only for you cherish you dearly and never let go-oooh
I mean it all for the sake of, all for the sake of, all for
the sake of, for the sake of our love.

For the sake of our love
I'll promise Imma be willing (oooooh baby!)
go extra just to show you I'm willing (oooh baby!)
For the sake of our love (oooooh darling!)
I need to know that you care 'bout us
So baby tell me that you willing, to do the same (same!)
I just wanna be sure that we both want the same love
Coz there is nothing I won't do for the sake of
loveeeee, loveeee!

Our love, our love, (yeaoh!)
our love, our love, (for the sake of our loveeee!)
our love, our love, (oh oh!)
our love, our love, (for the sake of our)
Girl I will climb any mountain
Cross any river, all for the sake of our love
It's all that I'm giving, long as I'm living
All for the sake of our love!
