lyrics to I Like Dat (Freak Freaky Dance) / Trey Songz
(feat. Swizz Beatz)

I need about every thing at bar
yeah swizzy we gone get it poppin
about everything at the bar
come on the party starts
now showtime we not playin

This gone make you get up off your ass
right now right now this gone make you get up off your
ass
right now now now here we go all my ladies in the place
with the real hair
were you at were you at hit the dance floor
girl do your freaky freaky dance
hey ho I like dat hey ho I like dat
wait a minute all my fellas in the back
were you at all my fellas in the back
were you at if you don't care like we don't care
put your motherfucking cups in the air
hey ho I like dat hey ho I like dat hey ho I like dat

The way you do that dance in the club
yeah I like dat you belong the stage were the lights
at you belong on the runway
just like the models I ain't talkin where the planes
ain't takin flight at girl you make me wanna sing
or something take you home tryna get you outta them
jeans
or something your sex make your ass wanna finea
or something your straight you ain't gone never finea
for something the way you do your freaky dance
girl we all up in the club touchin on your rubbin
on your feelin on your butt get a lil take a lil show a lil
love
I'm a big squarriell tryna get a big butt

All my ladies in the place with the real hair
were you at were you at hit the dance floor

girl do your freaky freaky dance

hey ho I like dat hey ho I like dat
waite a minute all my fellas in the back
were you at all my fellas in the back
were you at if you don't care like we don't care
put your motherfucking cups in the air
hey ho I like dat hey ho I like dat hey ho I like dat

Ay what it is girl I'm here you been showing out all this
jews
you make me wanna throw it out
I don't really care if you know or not
hey look shawty don't be mad I'm just joking now
your waist is so small ass poking out there
something in my pants think you outta know
about I see the way you dance how you drop it down
ay you know what I do to you when nobody around
but just be cool you know everybody watching
now you got a man he a fool when he's not around
ay here my number you can hit me when he's not in
town
when you need something holla you know I got it now
high yellow light brown pretty long hair
that's how I like dem see me staring
shawty I don't care 5ft tall baby pony tail
ay how you stay so thick when you so thin tight
jean got that cameo on show thin g string make a
nigga
go in came all by yourself
brought no friends well what you never tell for let's go

All my ladies in the place with the real hair
were you at were you at hit the dance floor
girl do your freaky freaky dance
hey ho I like dat hey ho I like dat
waite a minute all my fellas in the back
were you at all my fellas in the back
were you at if you don't care like we don't care
put your motherfucking cups in the air
hey ho I like dat hey ho I like dat hey ho I like dat
