We probably coulda made it work in a past life
Said vows, I make you my first and last wife
A rich nigga, that's certain to hit the ass right
Make a broke bitch smile like a low gas price
Truthfully I was digging ya style
Kept ya heels on,
I'm hitting, you all ?wow?
Poker chips in Vegas
Then it's dre at the towels
We tryna mÃ©nage later so you pick a girl out
I look at you and see a different girl now
Gettin? Whitney wit me, a different world now
A good girl, then I turned you to a bad bitch
Constipated ass, she ain't never had shit
I'm so over your head, you shoulda caught that
Fuckin? with my phones when I'm gone, like you bought
that
I was fuckin? witchu heavy, but I'm bachelor
Money's my only girl, no lie;
Relaxin?

Can't fuck with you no more
I just can't fuck, just can't fuck with you no more
Fuckin? with you is bad for my health
Can't fuck with you no more
I just can't fuck, just can't fuck with you no more
Fuckin? with you is bad for my health
Fuckin? with you is bad for my health
Fuckin? with you is bad for my health

Crazy with the head, but she crazy in the head
Attract alotta birds, ?cause I make alotta bread
Searchin? for my dove, hopin? love is forgiving
And I find that the dove ain't nothing but a pigeon
We all I know I ain't nuttin? but a player
Guess it's value that make ?em wanna foul you
Can't blame you for wantin? sumtin? major
Shout out to the broads, like, can I get a Laker?
Real women, don't you be embarrassed by the fakers
Yves Saint Laurent probably flattered by the bakers
Moments couldn't fathom being madder at the haters
How dare you dislike me when I know I'm the greatest?

But now I see the beauty when they try to subdue me
All on my balls, see the blogs is the groupies
But that's a part of my movie
Deep down, I know you happy you ever knew me

Can't fuck with you no more
I just can't fuck, just can't fuck with you no more
Fuckin? with you is bad for my health
Can't fuck with you no more
I just can't fuck, just can't fuck with you no more
Fuckin? with you is bad for my health
Fuckin? with you is bad for my health
Fuckin? with you is bad for my health
