You probably could have make it work in the past life  
Said vows, I make you the first and last wife  
A rich Nigger does certain to hit the ass right  
Make a broke \*\*\*\* smile like a low gas price  
Truthfully I was digging your lil style  
I kept the heels on, I'm hitting you all wild  
Poker chips and Vegas dinners,  
...later so you pick a girl out.  
I look at you and see a different girl now  
Can get you with me, with me, a different world now  
A good girl, then I turned you into a bad bitch  
Constipated as she never had shit  
I'm so over you, you hear?  
You should have caught that  
Fucking with my phones when I'm gone, like you want  
that  
I was fucking with you but I'm bachelor.  
Money is my only girl, don't laugh, relax!

Chorus:

Fuck with you no more,  
I just can't fuck, just can't fuck with you no more.  
Fucking with you is bad for my health!  
Fuck with you no more,  
I just can't fuck, just can't fuck with you no more.  
Fucking with you is bad for my health  
Fucking with you is bad for my health!

I'm crazy with the heat, but she's crazy in the head,

Attract a lot of birds, cause I make a lot of bread  
Searching for my dove, hoping love is forgiven  
And I find that the dove it ain't nothing but a pigeon  
Ya'll know, I ain't more but a player,  
Guess is value to make a more...  
Can't blame you for wanting something amazing,  
Shout out to the broads, like can I get a...  
Real women don't you be embarrassed by the fakers  
Yves Saint Laurent is probably flattered by the ...  
Homies couldn't fathom being ...  
How dare you dislike me when I know I'm the greatest.  
But now I see the beauty when they try to subdue me,

All on my balls, see the blondes is the groupies  
But that's the part of my movie  
Deep down I know you happy you ever knew me

Chorus:

Fuck with you no more,  
I just can't fuck, just can't fuck with you no more.  
Fucking with you is bad for my health!  
Fuck with you no more,  
I just can't fuck, just can't fuck with you no more.  
Fucking with you is bad for my health  
Fucking with you is bad for my health!
