[Verse 1:]

She say but still  
Nothing feel  
Like the thrill  
When she go with a man  
Say she need a lot more than what niggas got in they  
pants (oooh)  
Said that I could get the number  
But we'll never be more than friends  
Cause she just turned lesbian

[Hook:]

(She say) She say she don't like dudes no more (na na  
she)  
She be fucking with girls  
Cause the dudes did her wrong  
Did her wrong  
Yea (And I can believe it)

And I can't blame her dogs  
We just fucked up her world  
Her whole world  
This is for my girls and their girls (Girls ohhhhh)  
This is for my girls and their girls (Girls... Girls... Girls  
Girls)

[Verse 2:]

She said the pain runs deep cause she thought they  
had something for real  
You can't blame all men for the things one nigga did  
(ooooh)  
She said she hate em  
But she love her new girlfriend  
Baby you just caught up in a whirlwind (Trey's Woman  
Voice: But niggas crazy)  
Not as crazy as you women be

How many times does this scene realize  
Tried to put her on my team  
She play for the other side  
She say all these niggas crying  
"I can fuck you right, I can fuck you right"

Damn you just read my mind (mind, mind, mind, MIND)  
Say she never was into girls  
But you don't understand cause you never been a girl  
She say not just any girl  
Shit I like them pretty girls  
Lipstick  
Kiss Kiss  
Girl you know you Miss Dick... less (This shit sick)

[Hook:]

She be fucking with girls  
Cause the dudes did her wrong  
Did her wrong  
Yea (And I can believe it)

And I can't blame her dogs  
We just fucked up her world (We just fucked her world)  
Her whole world  
This is for my girls and their girls (Girls)

[Hook:]

(She say she don't like) She say she don't like dudes no  
more (don't like dudes not more)  
She be fucking with girls (She be fucking with girls)  
Cause the dudes did her wrong
