[Intro]

Good evening
I'd like to thank everybody for coming out
Hope your flights were safe
Feeling real breezey
Swift like the wind

[Verse One]

It's calling my body
It's calling my soul
It's calling my mind
So girl I gotta go
Baby it's the grind
Yes I had a good time
(Don't get me wrong) You were so good
And I really wish I could
Stay a little bit longer
Love you a little bit stronger
And go a little deeper
Baby with you
But since this thang is calling I
Gotta answer dry your eyes
Girl don't cry
'Cause your making it hard for me

[Chorus]

'Cause I don't want to leave (Ooo girl)
But I gotta go right now
I'll be back to hold you down (I don't wanna)
I don't want to leave no
But girl I gotta go right now
But I'll be back before you know it

[Verse Two]

So hold that thought (that thought)
Dont you move
See I'm coming right back
Right back for you
Don't you change your position
Girl I'm on a mission
Baby trust I'll be missin'
Missin' you

'Cause I don't wanna leave

[Chorus]

I don't want to leave (Leave, leave, leave you baby)
But I gotta go right now (But I gotta go though)

I'll be back to hold you down
I don't want to leave no no no
But girl I gotta go right now
But I'll be back before you know it

[Bridge]

Streets be calling me
They be calling my name
And when they call I gotta go
So I'm letting you know
I won't be gone for long
And already I can't wait to come home to you

[Chorus]

I don't want to leave (Ohh girl)
But I gotta go right now
I'll be back to hold you down
I don't want to leave
But girl I gotta go right now
But I'll be back before you know it

I don't want to leave
But I gotta go right now
I'll be back to hold you down
I don't want to leave
But I gotta go right now
But I'll be back before you know it

[Speaking]

Break it down now ow
Naw I don't want to leave
But you know how it is when-
Whoa baby keep that on
Don't take it off
Keep in on
So I can take it off when I come back
Yeah fo' sho

[Chorus]

I don't want to leave (Since this thang is calling I)
But I gotta go right now (Gotta answer dry your eyes)
I don't want to leave
But girl I gotta go right now
I'll be back before you know it
