Damn, I'm so hungry.  
Plus I'm layin.  
What time is it?  
I'll tell you what...

It's 5 o'clock in the morning  
and the club is over.  
Shawty let's go get our grub on.  
I had way too much to drink  
and I need to get sober.  
So, let's go get our grub on.  
Baby let's get out of here  
I know a place not far from here  
that I can get that grub on.  
Said my stomach's growlin' so crazy,  
would you please feed me baby?  
Girl let me get my grub on.

No cheese steak or grits...  
I don't have a taste for that.  
I don't want pancakes or bacon...  
I don't have a taste for that.  
Girl I want something fulfilling  
that's gon' fill my appetite.  
Girl you're the only one that can make it alright.

Will you be my IHOP baby?  
Can I place my order?  
The food in here is crazy.  
Twenty-four hours  
'Round the clock you open  
Baby here's a tip:  
You hop on top of me,  
I hop on top of you.

I'm thinking 'bout going for seconds,  
maybe some dessert. Yeah.  
I'm still tryna get my grub on.  
And when I taste ya coffee  
with sugar and cream.  
This spot is where I belong. oh...  
Cake and whip cream so divine.

I could eat here all the time.  
Is there a doggy bag I could take home?  
Tellin' you if you ain't tasted,  
think you better call your waitress.

Cuz IHOP's open 'til the early morn.

No fruitcakes, no salads...  
I don't have a taste for that  
Lookin' for a meal with a balance.  
Something that can satisfy me.  
Girl I want something fulfilling.  
That's gon' take care of my cravings.  
So girl tell me can you feed me?

Will you be my IHOP baby?  
Can I place my order?  
The food in here is crazy.  
Twenty-four hours  
'Round the clock you open  
Baby here's a tip:  
You hop on top of me,  
while I hop on top of you.

I like that blueberry syrup  
I like that strawberry syrup  
Now baby lay your body down  
and let me lick it all up.  
Now baby let's get you seated.  
Don't need a plate to, whoo!  
Get a good meal,  
let me show you girl it's real.  
But it's gon' be just me and you.  
We gon' grub 'til we full.  
So tell me it's cool.

Baby here's a tip:  
You hop on top of me,  
I'ma I hop on top of you.

Now gimme that rootie-tootie  
that fresh & fruity  
that, that, that big ol' booty.  
Now come and do me.  
Grub on,

grub on...  
Grub on,
