[Lil Wayne:] And Young Weezy Baby

[Verse 1: Lil Wayne]

Ok, shawty lemme holla atchya

You need a man who won't holla atchya

Won't throw a dolla atchya

And listen when you speak

And when we make love you can holla at me

But when you wake up shawty say she gotta leave

Man I wish I was dumb so I can set her free

Cause that's freedom do you understand me

Baby I know I'm a blood but let ya other man be

[Verse 2: Trey Songz]

I see you watchya gon do

You need to lose that nigga, ooh that nigga

Can't do what I do, he can't make your body speak

Make it go ooh, ooh ooh ooh

You can be dealin' with a reala trilla dude

Whatchya gon do shawty lemme know

It's gettin to the point where I can't take no more (I can't
take no more)

Guess what I'm tryna say is

I can't wait no more

[Chorus: Trey Songz]

Girl I can't help but wait

Till you get that with him it don't change

Girl I can't wait

Till you see that with me it ain't the same

Girl I can't wait

Till you see you for what you really are

Baby girl you are a star

And I can't help but wait

[Verse 3: Trey Songz]

Listen, It ain't fresh to just let him call the shots
You're a queen you should be gettin all that someones
got
You should be rockin' the latest in purses, bracelets,
and watches
You're worth much more then an occasional I love you
I'm thinking of you
And baby girl it's getting to the point where I can't take
no more (I can't take no more)
Guess what I'm tryna say is
I can't wait no more

[Chorus: Trey Songz]

[Verse 4: Lil Wayne]

I got patience
Doctor Carter baby yea I got patience
Pullin' up on you in a humee
And somethin' as wide as a Sony flat screen
Watchin' Tony Montana like I never seen
But I can hear your heart screamin' lemme redeem it
Cause he don't know what he doin' he just intervening
He's an inconvenient, inconvenience
It's simple science
I mix science better yet math
Me plus you baby girl let's add
And we never divide we just subtract
His punk ass my class I'll pass
Cause I pass
Leave the pads and I'll pass
I ain't worried about that
I never look back
Your boyfriend wack
Wonder why I call him that?
Because a real man never talk with his hands
Boy you a girl, girl you grand
Like ten hundred dolla bills you grand
And girl I'm a g tell ya girls about me
And I'm a only beat dat spot
If you sweet I'm a hit ya sweet spot
And he not
I can make it sound like a little teapot
And if dat nigga hurt you I'mma kiss you til it stop
I'm on the clock

[Chorus: Trey Songz]

[Lil Wayne:] yea yea Remix baby remix baby remix
