VERSE 1:

I miss the way you kiss, miss the way you wear them
heels and make it switch
Miss the way your hair blows in the wind and I miss you
stayin hear till te morning
Miss the way you put on your make up, miss the way
you loved me too much
It's everything about you baby, wanna know where
you've been lately
Do you go out? Do you still live at your old house?
Do you got somebody new in your life? Cuz I can't get
you outta my mind

PRE-CHORUS:

And I wanna erase, but I can't stop seein your face
And every girl I try to replace you with, why can't I get
over with?
Simply cuz I can't....
