Song book, baby

Yeah, yeah, ah, yeah  
Yeah, yeah, yeah, ah  
Yeah, whoo

Ruth Cris with them juice lips  
XO, you take two sips  
(Whoo)  
Puff the dro, you take two hits  
My show, you get four tickets  
(Whoo)

Three friends that you roll with  
(Whoo)  
Ya got lil' sisters that want pictures  
(Yeah)

Two seats when I roll with cha  
Top back, let the wind hit ya

You know I'm the man 'round these parts here  
You know, don't you know?  
If you need something, I'm here  
(Yeah, ah)

Baby, meet me downtown, we gon' get yo' hair done  
You say all yo' gas gone, I'm gon' fill yo' tank up  
Fill that piggy bank up, care 'bout no recession  
While you second guessing, answer this one question

Now when you with that other nigga  
(Wooh)  
Is you with a winner?  
He don't do it like I do

If you say I ain't on yo' mind  
When y'all spending time  
Girl, you telling lies, gon' and testify

He don't do the thangs  
He don't do the thangs, no

He don't do the thangs I do

Girl, you know he don't hit it right

(He don't hit it right)

You living a lie

(You living a lie)

He don't do the thangs I do

Uh

Penthouse suites for about four weeks

(Four weeks)

Private beach with them palm trees

(Palm trees)

You can buy it all in the Beverly

(Beverly)

Show you thangs, he'll never see

(He'll never see)

Even let you drive my Bentley

(Whoop)

Though you love him

You, he don't deserve

(Your)

Listen, I'm the man 'round these parts here

You know

(You know that)

Don't you know, if you need something I'm here

But let me ask you this one question

When you with that other nigga

(Whoo)

Is you with a winner?

(No)

He don't do it like I do

(Nah-uh)

If you say I ain't on yo' mind

When y'all spending time

(That's a lie)

Girl, you telling lies

Gon' and testify

(That he don't)

He don't do the thangs

(He don't)

He don't do the thangs, no

(No, he don't)

He don't do the thangs I do

(I do)

Girl, you know he don't hit it right  
(He don't hit it right)  
You living a lie  
(You living a lie)  
He don't do the thangs I do

I'm only here to show how much I care  
And I know you're having second thoughts  
About your love at home  
You need to let that go  
(Go)

I'm tired of seeing you hurt  
(Hurt)  
And cry

When you know inside  
(Side, side, side)  
He'll will never be the man that I

Oh, he don't do the thangs I do  
He don't  
(Whoa)  
(No)  
(I, I, I, I wanna know whoa, ooh ah)

Now when you with that other nigga  
Is you with a winner?  
He don't do it like I do  
(You say that I ain't on yo' mind)

If you say I ain't on yo' mind  
When y'all spending time  
Girl, you telling lies  
Go on and testify

He don't do the thangs  
(He don't do it)  
He don't do the thangs, no  
(He don't do it, no, no)

He don't do the thangs I do  
(Oh, oh, oh, oh)  
Girl, you know he don't hit it right  
(No, no, he don't hit it right)

You living a lie  
(You living a lie)  
He don't do the thangs I do

(Oh, oh, oh)

Oh, oh, uh uh

I do

(I do)

I do

(I do)

I Doo

(I doo)

I do

I do

When you wit that other nigga

Is you with a winner?

He don't do the thangs I do

Do

Yeah, you know
