"I'm Here"

[Chorus:]

I'm right here what you need don't be scared come to
me I be waiting patiently for you to come my way
I'll be here faithfully

[Verse 1:]

I can tell by one look in your face lately things haven't
be goin your way too bad your going thru the changes
You should just replace him let me rescue you from
your pain you to be feelin me

[Chorus:]

I'm right here what you need don't be scared come to
me I be waiting patiently for you to come my way
I'll be here faithfully

[Verse 2:]

Working hard putting yourself through school and
sometimes you wanna come before school but want
confort from a man
Though baby that's the plan I can do all all that and
more baby I'm willing to give everthing you ever need
yeah baby I'm willing
Baby all you gotta do is call on me I'm tryna give you
love that you need to game with

I'm here all you gotta do is look at your face I'm here
I'm here listen ma come man maybe I'm here no
mystery to her I'm a show you
Mmmmmm what a real man can do I'm here

[Chorus:]

I'm right here what you need don't be scared come to
me I be waiting patiently for you to come my way
I'll be here faithfully
